WORK EXPERIENCE

AESTHETIC PHYSICIAN | 2026 – Present | Mumbai

- Provide aesthetic consultations and individualized treatment plans based on patient concerns, skin type and treatment goals.
- Hands-on experience in GFC (Growth Factor Concentrate) therapy, botulinum toxin, dermal fillers, laser therapies and chemical peels.
- Perform skin-rejuvenation and anti-ageing procedures tailored to patient needs.
- Offer IV drips and wellness treatments for skin, hair, immunity and overall health.
- Ensure safety, informed consent and post-procedure care.
- Maintain a natural, evidence-based and patient-centric approach to aesthetic treatments.

ICU REGISTRAR | Feb 2024 – Present | Surya Hospitals, Mumbai

- Manage critically ill patients in the ICU under guidance of intensivists.
- Monitor and manage patients on mechanical ventilation, inotropes and advanced life support.
- Perform and assist in invasive procedures including central lines, arterial lines, intubation, chest drains and other critical care interventions.
- Coordinate with multidisciplinary teams for comprehensive critical care management.
- Participate in emergency codes, rapid response and interdepartmental referrals.
- Maintain detailed medical records and ensure adherence to ICU protocols and infection control.

ATTENDING CONSULTANT | 2020 – 2025 | Nanavati Max Superspeciality Hospital, Mumbai

Emergency + Critical Care Unit

- Managed a wide range of medical emergencies and critically ill patients in Emergency, Wards and ICU.
- Collaborated with multidisciplinary teams for complex medical cases.
- Diagnosed and managed acute and chronic medical conditions.
- Performed and supervised essential procedures in ICU, including invasive lines and ventilator management.
- Conducted patient evaluations, routine examinations and diagnostic tests.
- Provided individualized care to adults, adolescents and senior patients.
- Presented clinical cases and research at medical conferences.
- Maintained readiness for emergency duty calls.

CHIEF MEDICAL OFFICER | 2019 – 2020 | Rane Hospital & Mumbai Heart Clinic, Mumbai

- Managed comprehensive care for post-myocardial infarction patients.
- Directed post-angioplasty and post-CABG patient care in collaboration with multidisciplinary teams.
- Conducted patient consultations, prescribed treatments and monitored recovery.
- Provided medical leadership during community health initiatives and medical camps.

MEDICAL CONTENT WRITER | Aug 2019 – Dec 2019 | PrepLadder PVT LTD, Delhi

- Conducted in-depth research on medical topics to ensure accuracy and relevance.
- Wrote, edited and revised content for patient education, medical marketing and healthcare publications.
- Created content for diverse platforms and audiences.
